SUMMARY

A motivated, diligent, and creative illustrator. A generalist with experience in both digital and traditional media. My degree in Visual Communications and my experience as a freelancer has equipped me with the designing and illustration tools I make use of on a daily basis. I am constantly adopting, and adapting to new methods and ways of thinking, moreover, I am driven by the opportunity to do so.

Key Strengths:

I work well both in teams and independently. I am comfortable receiving and offering constructive criticism.

Stylistic adaptability.

I am familiar and proficient with Photoshop, Illustrator, Premiere, InDesign, and Zbrush. Experience in customer service as well as in positions of responsibility, tutoring, and leadership roles.

Can work well under stress, and in mission-critical environments.

Fluent with Microsoft Office/excel and comfortable using social media.

Fluent in English and Hebrew.
